The Carmel Valley Community Planning Group has recommended approval of this project.

SUPPORTING INFORMATION:

The proposal is to allow the construction of one two-story and one three-story office building totaling 125,000 square feet and a four-level subterranean parking structure. The project requires amendments to the Carmel Valley Community Plan/Neighborhood 8 Precise Plan, the City of San Diego Progress Guide and General Plan and to the Local Coastal Program to redesignate 0.5 acres from Very-Low Residential (0-5 dwelling units/acre) and 4.0 acres of Open Space to Neighborhood Commercial. These land use changes constitute an amendment to the Local Coastal Program/Land Use Plan. The site is currently zoned SF2 (single family with 4,500-square foot minimum lot size) and is proposing to rezone to NC (Neighborhood Commercial). The site is located just north of the existing San Diego Jewish Academy, at the southwest corner of Carmel Creek and Shaw Ridge Road, in the Carmel Valley Community Plan area. The project is located in the Coastal Zone, therefore the City Council's decision requires amending the City's Local Coastal Program. As a result, the final decision on this project will be with the California Coastal Commission.

Community Planning Group Recommendation – On September 14, 2004, the Carmel Valley Community Planning Group voted 13:0:0 in support of the project as proposed with no conditions.
